CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (GE) REQUIREMENTS

Effective Fall 2019 through Summer 2020

The General Education Requirements for the California State University (CSU) system specifies courses within subject areas that will satisfy the 39 lower division GE requirements for any campus of the California State University System. Completion of CSU GE is not required before transfer but for most students it is highly recommended. For some students, in high unit majors, completing the pre-major course requirements will be a priority over completing GE requirements. College of the Canyons courses with a number designation of 100 through 299 are transferable to all CSU campuses, but only a select group of these courses qualify for CSU GE.

Liberal Studies majors pursuing teaching credentials should not follow this certification pattern but instead complete the

Upper Division Transfer: Transfer students to CSU will be required to complete 18 units & a minimum overall CSU GPA of 2.0. Students are required to

- Completing a minimum of 30 semester units with a "C-" or better in each course, to include:
 - Courses that satisfy CSU GE Areas A-1, Oral Communication; A-2, Written Communication; A-3, Critical Thinking; and B-4, Mathematics/Quantitative Reasoning (*as of Fall 2017 allowed to have grades of C- within these areas for certification, per CSU Executive Order 1100*)
 - Additional CSU transferable courses from Scientific Inquiry and Quantitative Reasoning; Arts and Humanities; Social Sciences; and Lifelong Learning and Self-Development that meet general education requirements.
