Now we want to know about SUPPORT YOUR DID RECEIVE during our Covid

45 . Some online classes are more SYNCHRONOUS, where professors meet with students at set class times on zoom or collaborate to lecture, discuss materials, and answer questions. Synchronous classes allow for more direct interaction between student and teacher. Other online classes are more ASYNCHRONOUS, where students interact with professors through email and posted assignments and lectures. Asynchronous classes allow students more time flexibility when they are otherwise busy.
