

The SLO that was not evaluated by the Comprehensive Examination involve communication skills is SLO #2 for Biostatistics MS. It was decided that this SLO is better addressed by term projects that involve communication (either a written project or presentation that is worth considerable weight in the grading scheme of the course). For Biostatistics MS SLO #2, assessment. This year the rubric was implemented.

All implementations of academic assessment took place after the last faculty meeting of the academic year, hence faculty review and any changes to the curriculum will be done in the future. We anticipate that any changes we decide upon will be implemented within the semester system.

D. Summary of Assessment Results

The tests are written to test knowledge from the required core courses for each program. Typically our
