1.

Carta de D. João de Almeida a D. João de Portugal, datada de 15 de Maio de 1533, sobre a situação da Índia e a necessidade de reforço militar.

Vertical text on the left margin, likely a page number or reference code.

† ***It's better to be alone than in a destructive relationship.*** It may be that for now, your only safe relationships are with treaters. That's okay.

† ***Destructive relationships can be as addictive as drugs.*** If you cannot stay away from someone you know
