

Campus Sustainability Committee Meeting
May 13, 2016

Agenda:

1. Introductions
2. Public Comment
3. General Updates
 - a. Awar

- a. There were no public comments
- 3. General Updates
 - a. Awards - Cal State East Bay won two Sustainability & Energy Efficiency Awards from the California Sustainability in Higher Education Conference
 - i. The new Student & Faculty Support building received an award for new construction
 - ii. The "M"

7. Social Media

- xi. It was strongly advised that the Communication Task Force con

consideration was given to the wider “carbon footprint” or environmental impact in that decision. Dr. Garbesi raised the issue that terminology such as “carbon footprint” can become problematic since that traditionally means specifically clear-cutting of a forest and is not interchangeable
